

**Office of the Registrar
Chulalongkorn University
Extension of Late Course Withdrawal Period**

This is in reference to Chulalongkorn University Announcement on Guidelines for Instructional Management under an Extraordinary Circumstance as a Result of COVID-19 Infection Outbreaks, dated March 5, 2020.

Since the normal instructional management, evaluation and assessment method have been affected, and to prevent the students, instructors, and staff from leaving their place of residence during the outbreak of COVID-19 virus and reduce direct contact, the Office of the Registrar therefore decides to extend the period of late course withdrawal and exempt late course withdrawal fine. Students can proceed with late course withdrawal online by following the guideline at the Office of the Registrar's website (https://www.reg.chula.ac.th/news/Covid_en_630325.pdf). Late withdrawal must be done at least 3 working days before the examination take place.

This extension and exemption are enforced only during the outbreak of COVID-19 unless further changes are announced.

Announced on March 27, 2020.
